

A CALL TO ACTION

Dear Friends,

1 May 93

We need to raise \$7,500, for 1,700 copies of Col Ron Ray's book, *Military Necessity and Homosexuality* by May 21st. The money is to buy a copy for every General Officer in the Air Force and the Navy and every Congressman, including their top aide. Someone has already paid for a copy to go to all the Generals in the Army and the Marines.

This book only came out two and half months ago, they are now on their second printing, and everyone has said it is the best single source document on the subject. The Family Research Council, Concerned Women for America, Dr David Noebel's Summit Ministries, Focus on the Family, and numerous lawyers and retired Colonels and General Officers have all recommended this book as the source. This is the best documented book on the subject of homosexuals in the military. It is full of facts, statistics, and quotes. A lot of the information comes from various writings from the homosexuals themselves.

Just as God gave us six months to prepare for Desert Storm by 15 JAN 91, he has given us six months to prepare for this battle by 15 JUL 93.

Could you please be a co-laborer in this mission to get the truth into the publics hands?

1. Please pray daily for this mission.
2. Please get a copy of the book into as many hands as possible to be reviewed and promoted.
3. Help get this book into as many Churches, Chapels, book stores, and libraries as possible. (I've been able to get it into the base exchange and book store just by asking!)
4. Most importantly, can you help us collect donations by the 15th of May to pay for this Congressman/General Officer Project? It is a non-profit organization, so it is a tax deductible gift. Please make your checks out to First Principles, Inc. and put a note on it that it is for the Congressman/General Officer Project.
5. Write your Congressman, Senator, committee members, and newspapers about this book. These folks feel that if one person took the time to write, there must be approx. 100 others who feel the same, but didn't write.

I've been ordering this book by the case and have been selling them for \$8.00. We will continue to take donations past the 21st of May in order to place this book into the hands of other key individuals. Please feel free to make copies of this letter for distribution.
