IS IT UNCHRISTIAN?

Dear Friend and Colleague,

The following two letters have just been received from long-standing supporters:

"My wife and I have just received the March, 1993, issue of the CACC newsletter. Please know that we have been members since at least 1965, when I was half way through my career as a police officer. The information and warnings in all of your literature over the years has been priceless, accurate, straightforward, sometimes prophetic, but most importantly always truthful." (Fort Garland, CO)

I would like this for my epitaph, "Throughout his whole life he had a love affair with the truth."

The second letter contrasts with the above:

"Anti-homosexuality is unchristian. They have the same civil rights as you and I have. You will receive no gifts as long as you take your anti-Christian attitude towards homosexuals." (La Canada, CA)

So my friend is convinced that my attitude towards homosexuals is unchristian. I wonder where he obtained his concept of Christianity? Mine comes from the Bible.

Both the Old and New Testaments condemn the practice of homosexuality in no uncertain terms. The law which God gave to Moses states:

"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination." (Leviticus 20:13)

Note that the emphasis is upon conduct. Christianity teaches loving the sinner while loathing the sin.

Homosexual practice is condemned in no uncertain terms by St. Paul in his letter to the Romans:

"Because, when they knew God, they glorified Him not as God, neither were thankful, but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, and changed the glory of the incorruptible God into an image made like corruptible man, and birds, and four-footed beasts, and creeping things.

"Wherefore, God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves, who exchanged the truth of God for a lie, and worshipped and served the creature more than the Creator, who is blessed forever. Amen.

"For this cause God gave them up unto vile affections; for even their women did exchange the natural use for that which is against nature; and likewise also the men, leaving the natural use of the woman, burned in their lust one toward another, men with men working that which is unseemly, and receiving in themselves that recompense of their error which was fitting." (Romans 1:21-27)

The Homosexual Harvest of Disease and Death

Medical science provides ample evidence which confirms the wisdom of the condemnation of homosexual practice. Sodomy causes many serious diseases. These include syphilis, gonorrhea, hepatitis, herpes, cytomegalovirus, intestinal parasites, and chronic diarrhea, as well as the deadly scourge, AIDS. These diseases are often passed on to others, who are innocent of any sodomic conduct.

Surely it is not unchristian to desire to protect babies, mothers, wives, medical workers, hemophiliacs, those needing blood transfusions, and myriads of others from such diseases.

The right to spread disease is not one of the constitutionally-protected civil rights.

By God's grace I will continue to tell the truth about Communism, AIDS, homosexuality, the sinful nature of man, and the redemptive love of God while I have strength and life. I need your understanding and support in a special way at present. Our income has fallen disastrously these past few months, and over 1,000 men, women and children depend upon the Crusade for their daily bread. Will you show your confidence and love by sending a special sacrificial gift?

With Christian love,

Fred Schwarz
