In a 1987 book *Gays, Aids and You*, authors Rueda and Schwartz asserted, "...the homosexual political agenda represents a radical departure from what we as Americans believe," and charged, "the homosexual movement has a radical anti-family agenda that the majority of Americans reject overwhelmingly."

That rejection is why an estimated 200,000 homosexuals had a four day political bash in Washington in 1987. Their defiant public demonstrations were major media events calculated to compel Americans to accept the lifestyle of the sexual deviant. Six years later, on April 26, 1993, 300,000 homosexuals (and some heterosexual parents) demonstrated in D.C. with the wholehearted support of President Clinton who said, "I stand with you in the struggle for equality."

Most of the network and newspaper coverage of the homosexual march was sympathetic and supportive of their perverted life style. (Polls show that the majority of Americans citizens are not.)

Ironically, while AIDS itself was condemned by those gathered, the unnatural act of sodomy, the principal means by which AIDS is spread, was condemned by no one. Perversion of thought is as popular with homosexuals as perversion of action.

The bleak, black thoughts of militant homosexual activists were blanked out by the media so *Washington Dateline* is compelled to publicize the true nature of the militant homosexuals and their goals for America - in their own words, as upsetting as they are.

The Feb. 15, 1987 issue of the *Gay Community News* of Boston published an essay "For the Homoerotic Order" by the homosexual poet and revolutionary Michael Swift who wrote:

"We shall sodomize your sons, emblems of your feeble masculinity, of your shallow dreams and vulgar lies. We shall seduce them in your schools, in your dormitories, in your gymnasiums, in your locker rooms, in your sports arenas, in your seminaries, in your youth groups, in your movie theater bathrooms, in your army bunkhouses, in your truck stops, in your all-male clubs, in your houses of Congress.... Your sons shall become our minions and do our bidding. They will be recast in our image. They will come to crave and adore us.

"Women, you cry for freedom. You say you no longer are satisfied with men; they make you unhappy. We connoisseurs of the masculine face, the masculine physique, shall take your men from you then. We will amuse them; we will instruct them; we will embrace them when they weep. Women, you say you wish to live with each other instead of with men. Then go and be with each other. We shall give your men pleasures they have never known because...only one man knows now to truly to please another man....

"All laws banning homosexual activity will be revoked. Instead legislation will be passed which engenders love between men. [in 1993, the D.C. Council revoked the law against sodomy; and homosexual "marriages" were performed during the April demonstration.]

"All homosexuals must stand together as brothers.... We will triumph only when we present a common face to the vicious heterosexual enemy.

"If you dare to cry faggot, fairy, queer at us, we will stab you in your cowardly hearts and defile your dead, puny bodies.

"We shall write poems of the love between men, we shall stage plays in which man openly carress-

es man; we shall make films about the love between heroic men

"Our writers and artists will make love between men fashionable and *rigueur*, and we will succeed because we are adept at setting styles. We will eliminate heterosexual liaisons through usage of the devices of wit and ridicule, devices which we are skilled in employing. [Today, anyone who is not pro-homosexual is labeled homophobic.]

"We will unmask the powerful homosexuals who masquerade as heterosexuals. ... We are everywhere; we have infiltrated your ranks. Be careful when you speak of homosexuals because we are always among you....

"There will be no compromise. We are not middle-class weaklings. ... Those who oppose us will be exiled.

"The family unit - spawning ground of lies, betrayals, mediocrity, hypocrisy and violence will be abolished. The family unit, which only dampens imagination and curbs free will, must be eliminated.

"All churches who condemn us will be closed. Our only gods are handsome young men. We adhere to a cult of beauty, moral and esthetic. All that is ugly and vulgar and banal will be annihilated. ...

"...we are fueled with the ferocious bitterness.... We too are capable of firing guns and manning the barricades of the ultimate revolution.

"Tremble, hetero swine, when we appear before you without our masks."

And yet, President Clinton says, "I stand with you in the struggle for equality." Perversion knows no bounds.
